**Owner’s Acknowledgement**

I understand that all proposed changes must conform to the provisions of the appropriate building and zoning codes of the City of Gaithersburg. My signature indicates that, to the best of my knowledge, all of these provisions are met. Furthermore, nothing contained herein shall be construed as a waiver or modification of any such provision.

I understand that obtaining the required city building permits is solely my responsibility.

I understand that the DFHC Covenants, Conditions and Restrictions and the DFHC Board of Directors has established an Architectural Control Committee (ACC) and architectural requirements for all homes in Diamond Farm. The ACC, or in their stead the Board, reviews all Architectural Requests to ensure conformance to these requirements.

I understand that after review, a copy of this request will be returned to me, along with the Committee’s or Board’s determination.

I understand that no work on this request is to begin until I have received written approval and that if I begin work and the request is not approved, then I am required to return the property to its original condition at my own expense and that I may be liable for any legal expenses incurred.

I understand that any approval is contingent upon all work being done in a workmanlike manner and that the members of the ACC are permitted to make routine inspections.

I understand that any variation from the original request must be submitted for approval.

I understand that the approval granted by this request is automatically revoked if the work has not commenced within 180 days of the approval date of this request or if the work is not completed by the date specified (if there is one) in the approved request.
