

Maintenance Committee Report of Issues in Diamond Farm
July 2017

Location	Issue	Photo
Between Cornerwood and Irish	Right picture is as of 7/13/17 – appears someone has partially righted the box, but it is still open	
On easement next to Rye Ct tot lot	Utility boxes still open as of 7/13/17	
Rye Court	(Mostly) dead tree on island	
Just outside (with some inside) fence of tot lot between Longmeadow and Rye Ct	Large number of weeds growing amongst ivy. Need to be pulled, sprayed (which may kill ivy as well), or ivy and weeds mowed to try to kill.	
Tennis courts	Bottom tape on both nets has separated. This would cause loss of tension in the net. Replacements cost app. \$170 - \$200 each.	
Tennis courts	Crack on playing surface	

<p>Right side of entrance on Purchase</p>	<p>Empty bed; left bed not as empty</p>	
<p>Walk through area next to 15 Rye</p>	<p>Apparent issue with water runoff/erosion</p>	
<p>Next to and behind 15 Rye</p>	<p>Overgrown vines on tree (which may be on private property) and bushes (which are not)</p>
